Advanced Study Program

August 29, 1975

Mr. Alfonso Rodriguez
Director of Training
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Rodriguez:

We have completed our review of senior Federal officials nominated to attend the Institution's educational programs during 1975-76, and I am pleased to advise you that the executives on the attached list have been selected to participate in these programs.

We have been especially pleased with the overall quality of the nominations submitted and, regretfully, were unable to accept all qualified nominees for certain programs. However, since these programs involve senior executives working in a dynamic environment, we do have changes during the year and may be able to accommodate additional applicants at a later time.

Each of your participating executives will receive background reading and program information from the conference chairman four to six weeks prior to the scheduled meeting. All officials should be aware of the cancellation fee charged if an accepted nominee withdraws within the two week period immediately preceding the conference, and is not replaced by a qualified substitute.

We appreciate very much your continued support of our activities and hope that your executives will find them interesting and rewarding.

Sincerely,

Walter G. Held
Director
